### **Healing Mass**

Following on from the, well received, Healing Mass last year, SVP proposed the Parish and SVP work together to hold another Mass. By joining together, we hope to widen the appeal.

All aspects of healing to be acknowledged, physical, mental, abuse, rejection, relationships.....

A good discussion followed, the outcome of which was:

Volunteers for a planning group comprising of, Father Paul, Jean, Jane, Tom, Lyn, John (SVP), Marco (SVP).

Date agreed; February 2<sup>nd</sup> The Feast of the Presentation and the beginning of our 150th Anniversary Year.

### **Actions Points**

Lyn: Arrange 1<sup>st</sup> meeting of the planning group.

Marco: Check if any other SVP members want to join the planning group.

### **Music Ministry Review**

Great discussion and feedback!

We requested feedback from the congregation and received it in person, by email, on the phone. The choir and music group held an internal review.
